

Hayatabi Central Nippon Expressway Pass Terms of Use

Article 1: General Rules

These Terms apply to the *Hayatabi Central Nippon Expressway Pass* (hereafter referred to as “CEP”) that is operated by Central Nippon Expressway Company Limited (hereafter referred to as “NEXCO-Central”).

Article 2: Definitions of Terms

Unless otherwise prescribed, the terminology used in these Terms shall be defined as follows.

- (1) Designated rental car company: A company designated by NEXCO-Central as an automobile rental company that rents automobiles that are able to use CEP
- (2) Designated ETC card: An ETC credit card that has been approved by the designated rental car company for use by the CEP user
- (3) Foreign traveler: A foreign citizen who has permission to stay in Japan, or a Japanese person to whom the government of a country has granted the right to reside permanently in that country

Article 3: Subject Vehicles

The vehicles that may use CEP are limited to ETC-equipped standard-sized vehicles that are rented by sales offices designated by a designated rental car company. (This does not cover vehicles classified as light, medium, large, or extra-large when pertaining to expressway usage.)

Article 4: Prices and Subject sections

1. CEP prices are shown in the chart below.

Type	Vehicle type	Price(tax included)
2 Days	standard-sized vehicle	5,100 yen
3 Days	standard-sized vehicle	6,100 yen
4 Days	standard-sized vehicle	7,100 yen
5 Days	standard-sized vehicle	8,100 yen
6 Days	standard-sized vehicle	9,200 yen
7 Days	standard-sized vehicle	10,200 yen
8 Days	standard-sized vehicle	11,200 yen
9 Days	standard-sized vehicle	12,200 yen
10 Days	standard-sized vehicle	13,200 yen
11 Days	standard-sized vehicle	14,300 yen
12 Days	standard-sized vehicle	15,300 yen
13 Days	standard-sized vehicle	15,800 yen
14 Days	standard-sized vehicle	16,300 yen

2. The travel covered by CEP is shown as follows.

- (1) CEP covers travel areas are shown in the chart below (hereafter referred to as “subject sections”).
(If the customer uses the Pass outside of Subject sections, need to pay extra toll fee, if they use

expressways that are not covered by the CEP unlimited driving area). There is no limit to the number of times the area can be driven through during the registered period.

- (2) If the expressway is entered at an interchange within a subject section and exited at an interchange outside a subject section, or is entered at an interchange outside a subject section and exited at an interchange within a subject section, CEP covers the travel area between interchange points located within the subject sections. The regular expressway toll will be charged for all other travel areas in which one interchange point is located within a subject section and one interchange point is located outside a subject section. The regular expressway toll will be charged for the entire travel area if the expressway is entered and exited at interchanges outside the subject sections.

Subject sections
Expressways managed by NEXCO-Central
Expressways managed by NEXCO-West
<ul style="list-style-type: none"> • E1 Meishin Expressway (Yokaichi IC – Kyoto-minami IC) • E1A Shin-Meishin Expressway (Koka-Tsuchiyama IC – Kusatsu JCT)

3. The fee for CEP and tolls for expressway use not covered by CEP are to be paid at the designated rental car agency outlet.

Article 5: Applicable Period

The period during which CEP can be used is the period shown in the table below for each course which was registered in advance during the time from October 1, 2020. The term of this Agreement shall be one year from the execution of this Agreement. Thereafter, this Agreement shall be extended automatically for successive periods of one year each unless the official notice of discontinued service from NEXCO-Central.

Course name	Available period
2 Days	Max. 2 consecutive days
3 Days	Max. 3 consecutive days
4 Days	Max. 4 consecutive days
5 Days	Max. 5 consecutive days
6 Days	Max. 6 consecutive days
7 Days	Max. 7 consecutive days
8 Days	Max. 8 consecutive days
9 Days	Max. 9 consecutive days
10 Days	Max. 10 consecutive days
11 Days	Max. 11 consecutive days
12 Days	Max. 12 consecutive days
13 Days	Max. 13 consecutive days
14 Days	Max. 14 consecutive days

Article 6: Requirements for Use

All of the conditions enumerated below must be satisfied in order to use CEP for expressway driving.

- (1) The user must be a foreign traveler.
- (2) The user must carry a passport or permanent residency permit that proves that he/she satisfies the preceding requirement.
- (3) With a driver's license valid in Japan.
- (4) A designated ETC card must be used.
- (5) The user must consent to these Terms.

Article 7: Method of Use

1. Receive the vehicle and the designated ETC card from a designated rental car company. At this time, request CEP by completing the designated form at the counter of a sales office designated by a designated rental car company.
2. Observing related laws and the procedures for ETC use, use the vehicle and designated ETC card prescribed in the preceding item, and drive the vehicle through the ETC gate onto the expressway. If the ETC lane at the entrance is closed, receive the expressway ticket and then enter via the manual payment lane. Then at the exit, enter the manual payment lane and present the expressway ticket and designated ETC card. (However on the Chuo Expressway (Takaido IC – Hachioji IC), Nagoya Daini-Kanjo Expressway, Higashi Fuji-Goko Road, Odawara-Atsugi Road, Shin Shonan Bypass, Seisho Bypass, and Abotoge Road, follow the instructions of the staff.)
3. The roadside display that indicates the toll at toll plazas, the ETC on-board device monitor and voice guidance, and any other related devices, will indicate the toll that would be paid if CEP was not used, however if the requirements for CEP use are satisfied, the indicated toll will not be charged.
4. When traveling is completed, return the vehicle and the designated ETC card to the designated rental car company.

Article 8: Fee for Use

1. The fee for use of CEP is as shown in the table below. In addition, the toll indicated by the roadside display will be charged for use of the expressways when CEP cannot be used. "Use of the expressways when CEP cannot be used" refers to any of the cases listed below.
 - (1) The vehicle has entered and/or exited the expressway from a point not within the sections listed in Table 1 in Article 4. In such cases, regardless of whether or not a portion of the driving took place within the sections listed in Table 1 in Article 4, CEP may not be used for any portion of the expressway use.
 - (2) The expressway was used at a time outside of the period that was registered as described in Article 5.
 - (3) A toll road that is not operated by NEXCO-Central.

Type	Vehicle type	Price(tax included)
2 Days	standard-sized vehicle	5,100 yen
3 Days	standard-sized vehicle	6,100 yen
4 Days	standard-sized vehicle	7,100 yen
5 Days	standard-sized vehicle	8,100 yen
6 Days	standard-sized vehicle	9,200 yen
7 Days	standard-sized vehicle	10,200 yen
8 Days	standard-sized vehicle	11,200 yen
9 Days	standard-sized vehicle	12,200 yen
10 Days	standard-sized vehicle	13,200 yen
11 Days	standard-sized vehicle	14,300 yen
12 Days	standard-sized vehicle	15,300 yen
13 Days	standard-sized vehicle	15,800 yen
14 Days	standard-sized vehicle	16,300 yen

2. The fee for CEP use and tolls for expressway use when CEP cannot be used shall be paid at the office designated by the designated rental car company.

Article 9: Cancellation

CEP may not be cancelled for any reason during the registered period of Article 5 after any of the driving designated in Article 4 has occurred. CEP may be canceled during the registered period of Article 5 only when none of the driving designated in Article 4 using the designated ETC card has occurred.

Article 10: Invalidation

CEP shall be invalidated in the following circumstances. In such cases, CEP may not be used even though the vehicle enters the expressway from an interchange within the sections listed in Table 1 in Article 4.

- (1) The designated ETC card was used in multiple vehicles during the registered period of Article 5.
- (2) The CEP was used as a means of illegal driving other than that listed in the preceding item.

Article 11: Personal Information

1. NEXCO-Central shall acquire personal information from the designated rental car company in order to identify the customers who use CEP.
2. Personal information of customers shall be handled in accordance with the personal information protection policy of NEXCO-Central.

Article 12: Disclaimers

NEXCO-Central bears no liability of any kind for damages incurred by a person who has applied to use CEP in any of the circumstances enumerated below.

- (1) CEP use was affected by conditions related to ETC service that are not the fault of

NEXCO-Central.

- (2) CEP use was affected by road closure or traffic impairment (example: traffic congestion).
- (3) CEP use was affected by natural disaster or other incident of *force majeure*.

Article 13: Changes to the Terms

1. These Terms may be changed due to special circumstances.
2. NEXCO-Central shall bear no liability of any kind for damages incurred as a result of changes pursuant to the preceding paragraph.

This provision will be effective from October 1, 2020.
